OPPORTUNITY KNOCKS MISSION

Opportunity Knocks is on a mission to innovate and collaborate as a co-creator of programs, enterprise, and partnerships that contribute to developing a safe and welcoming community where people with different abilities are fully included and able to live, work, learn, grow and play in a life of their design.

ENTERPRISE PURPOSE

Knockout Enterprise thrives in a blended work environment where people with all varieties of ability work together to run a successful food-focused business. The Knockout Enterprise features a combination of creative culinary and agricultural initiatives that connect to and from the Knockout Farm and the Knockout Kitchen.

Our purpose in any and all enterprise activities centers on a commitment to create a work environment where Warriors are safe, supported, and fully engaged. We aim to employ and support Warriors at Work in all areas of the business with a growth-oriented approach focused on abilities, building skills and growing the business together.
